About VVCE

Vidyavardhaka College of Engineering, popularly known as VVCE is a premier institution managed by Vidyavardhaka Sangha (VVS). Vidyavardhaka Sangha stands as a synonym for quality education in the heritage city of Mysuru. VVS was established in 1949 by great visionaries namely Late Sahukar Chennaiah and Late K. Puttaswamy (former Minister of Karnataka) to impart quality education to all sections of the society. There are ten educational institutions starting from nursery to engineering college under the aegis of VVS. VVCE was established in 1997. VVCE is an autonomous institute, affiliated to VTU, Belagavi, approved by AICTE, New Delhi and recognized by Govt. of Karnataka and also accredited by NAAC with 'A' Grade. VVCE offers nine undergraduate programs and three post graduate programs besides nine VTU recognized research centers, with a total student population of 3800. It provides a perfect learning ambience for students supported by excellent infrastructure, qualified and passionate faculty.

About AICDMB

The invention and development of new digital technologies for various applications have become one of the fastest developing fields of research of this era.
